

Continuous Glucose Monitors (CGM) from The Advanced Diabetes Supply Group

Who is ADS/US MED?

Advanced Diabetes Supplies (ADS) and US MED are America's choice for home delivery of quality diabetes supplies and medications. With over 20 years of experience, we've serviced more than 1 million satisfied patients. We are licensed and accredited by ACHC, URAC, and NABP so you can count on ADS/US MED to deliver quality care and service to your patients.

Getting Started Is Easy

After we receive the prescription from your physician, ADS/ US MED will reach out to you to complete the intake process and get your okay to ship the CGM. If you miss our call please call us from one of the "Important Numbers".

 **We must get your approval in order to ship your supplies.**

We'll ship your supplies directly to your door with free shipping.
