

AFFORDABLE PHARMACY MADE EASY

Welcome to *MarpaiRx*, your new pharmacy benefits administrator. We work directly with employers, pharmacies, prescribers, and partners to help you conveniently get your prescriptions at the most affordable price. With *MarpaiRx*, you never have to worry about overpaying.

Convenience: Enjoy deep medication discounts at over 60,000 pharmacies in our national network. Use the myRxPortal.com member portal to search for the most affordable medication price by zip code.

Automatic Discounts: When you purchase a medication at an in-network pharmacy, discounts from 12 pharmacy discount cards automatically apply at the point of sale giving you the lowest price.

Lower Copays: We apply your medication claims to your deductible and work to reduce/eliminate copays.

Mail Order To Your Door: Use our online mail order pharmacy to have medications delivered on time, directly to your door!

Pharmacy Consultants: Our pharmacy experts work with you one-on-one to stay on the best medication journey, find alternate funding sources and the most affordable pay for your medications.

Pharmacy Benefits ID Card

You will soon receive a new pharmacy benefit ID card. This card contains *MarpaiRx* prescription processing information. Please show this card to your pharmacist when you get a prescription filled so your prescriptions are properly processed through your health plan.

Your Personal Pharmacy Advocate

When you face a complex pharmacy journey, you can count on our pharmacy advocates to work with you one-on-one for the best medication journey. Are you taking your medications? Are they working? Are there any side effects? Are there obstacles in your way? Your advocate will assess your needs, help you find the most affordable path, discover alternate funding sources when available, and take good care of you.

We're Here For You.

Our *Marpai Cares* team are all certified pharmacy technicians that are equipped to assist you with any question you may have about your prescriptions or pharmacy needs.
